

Information for Parents:

What time do you operate?: From 7:30am-5:30pm. If you are past 5:30, a charge of \$1/minute/child will be due in cash to the staff on duty either upon pick up, or at drop off or pick up the following day.

What does my child need on a daily basis?: A labelled water bottle (the water fountain is closed down), a labelled hat, a lunch that does not require any help from a staff to prepare, and a sweater. Please send sunscreen as we will re-apply at lunch; we will not have any extra sunscreen on site.

What time does my child have to arrive/leave?: The doors to the building will be LOCKED between 9:00am and 4:00pm. All children MUST be dropped in the program BY 9:00am daily. If you would like an earlier pickup or later drop off, please call the office to arrange.

Can my child bring toys from home?: Due to the current guidelines surrounding care during Covid-19, NOTHING additional may be sent from home other than the items listed above for use on a daily basis. This will include toys, books, electronics, phones, etc.

Water Days: On water days we will be offering water activities. On those days ONLY, please send: a towel, underwear, and a change of clothes. Please arrive to the program with bathing suits already on underneath clothing.

Breakfast Notes: We will NOT be providing any food items to facilitate breakfast. Have your child eat at home, or come with a breakfast fully ready to sit and eat. We will be able to provide cutlery if needed, but that is all.

Drop off/ Pick up Procedures: Parents are required to walk into the building with their child(ren) for drop offs to fill out a health survey. Parents will not be allowed down the program hallway. Please observe the labelled spots on the floor to ensure distancing. If you notice the foyer is full, please wait in your car until a family has left.

Sunscreening: Please send your child to camp already fully sunscreensed for the day (if it is a water day, please sunscreen around the bathing suit, not the clothes over top.
